

Could you be an **Entrust Care Partner?**

We are seeking to recruit individual workers who can offer support to children, young people or adults on a one to one basis. This flexible and enjoyable work can make a real difference to families.

We'd love to hear from YOU if you have:

- ✓ An understanding of disability and the potential impact it can have on individuals and families
- ✓ The ability to work on your own as well as a part of a team
- ✓ The ability to be patient and to stay calm under pressure
- ✓ A commitment to equal opportunity and diversity for all
- ✓ Effective communications skills
- ✓ An understanding of Confidentiality
- ✓ A minimum of a NVQ in Health and Social Care or equivalent
- ✓ A minimum of 6 months previous experience in the support and care sector

We offer **good rates of pay** according to level of experience a choice of **contract options** excellent **induction, training and support** plus **working hours to suit you** in negotiation with families.
