

## Would an **Entrust Care Partner** make a difference to your life?

Entrust Care Partners are individuals offering support to children, young people or adults on a one to one basis.

**Entrust Care Partners** are:

- ✓ Trustworthy and reliable
- ✓ Confident and skilled in working in partnership with you and your loved ones
- ✓ Warm, have a positive attitude and want to make a difference
- ✓ Able to work flexibly within a negotiated agreement
- ✓ Able to communicate effectively
- ✓ Supported by an organisation which values diversity, inclusion and choice

**You can be sure** that your Entrust Care Partner will be supported by senior staff, have had all necessary checks and be carefully matched and trained to meet **your specific requirements**.

Flexible working hours can be negotiated to suit **your needs**.  
Reasonable and competitive costs will suit **your pocket**.

# About Us

Entrust Care Partnership is a not for profit organisation  
and Company Limited by Guarantee.

## *Our Vision*

***To meet the needs of disabled children, young persons, adults and their families and carers through the provision of short break activities, care, support, training, advice and brokerage tailoring services which are bespoke to the individual.***

We have ambitious plans and a great deal of enthusiasm and experience in our chosen field whilst retaining a prudent and sensible approach to growth.
